

It was a spectacular, well-run event with terrific extras that made it special for everyone.

Deb

It was a GREAT experience and well worth the drive! Everything was so well organized and top notch in every way. Every one was there for a good time and that was definitely experienced by all. You can count on the Edmonton girls being at the next Pink Ring for sure.

The Pink Ring is something I look forward to all year, playing with players of all skill levels just for the love of the game and to help fight breast cancer. When I put on my Pink Ring jersey I feel what it must feel like to be in the Olympics. Thank you for the opportunity to play the game I love and do my little part to help.
 Deb
